2006 BEST PLACES TO WORK IN OMAHA
COMPETITION RECOGNIZES TOP TEN
EMPLOYERS

REGISTRATION RUNS THROUGH FEBRUARY 15

OMAHA, Neb., January 4, 2006 Is your business a Best Places to Work contender? Find out by participating in the 2006 Best Places to Work in Omaha.

The process begins by registering your company as a participant online at <http://www.qmrinc.com/bestplaces/omahareg>. Registration runs through Feb.15, 2006. There is a fee to register - for companies with less than 250 employees the fee is \$550. For those with more than 250 employees, the fee is \$800. Members of the Greater Omaha Chamber of Commerce will receive a \$50 discount to participate.

Sponsored by the Greater Omaha Chamber of Commerce and The Baird Holm Law Firm, the Best Places initiative provides an opportunity for you to learn more about the engagement and satisfaction of your employees through an online survey. Right Management Consultants is the research partner.

Scott Moore, partner of The Baird Holm Law Firm said, "The goals of the competition are to honor companies that have created positive work environments; to recognize and share best practices; to promote Omaha and Omaha-area employers and to provide valuable feedback and data to participating companies to assist them in measuring levels of employee satisfaction and engagement."

The competition recognizes the top five employers in both a 50 to 250 employee category and a more than 250 employee category. Winners will be acknowledged at an April 27 luncheon at Qwest Center Omaha sponsored by Baird Holm as part of the annual Baird Holm Labor Forum.

Previous participants have found the initiative to be an important way to help them create a better work place. And, the better the work place, the more productive the employees.

Key dates for 2006 Best Places to Work in Omaha:

- February 15: Online registration closes
- February 27: Online survey process begins
- March 10: Online survey closes
- April 27: Presentation of winning companies at the Baird Holm Labor Forum at Qwest Center Omaha
