**Baird Holm Hosts LEED Workshop for Omaha Area Business Professionals**

OMAHA, Neb. (March 9, 2009) – Baird Holm LLP recently hosted an all-day training workshop for LEED (Leadership in Energy and Environmental Design) Professional Accreditation. The workshop was conducted by HDR, Inc., and attended by select Baird Holm LLP attorneys, as well as other Omaha area business professionals. Attendees are now eligible to take an exam, based on the information presented at the workshop, to become LEED Accredited Professionals.

LEED certification states that a building is environmentally responsible, profitable and a healthy place to live or work. Certification of a building is granted through an independent, third-party verification system. A LEED Accredited Professional is a professional who has the knowledge and skills to successfully navigate the LEED certification process. These professionals have demonstrated a thorough understanding of the LEED rating system and green building practices and principles.

Baird Holm LLP is a multi-service law firm with more than 70 attorneys providing results-oriented counsel for corporate, institutional, governmental and individual clients. Baird Holm is the exclusive member firm for Nebraska of Lex Mundi, the world's leading association of independent law firms.
