

## Survey determines 2016 Best Places to Work in Omaha®

**Omaha, Nebraska, February 19, 2016**— **Best Places to Work in Omaha** survey founder, Baird Holm LLP, along with program sponsor, The Greater Omaha Chamber, are announcing – and applauding – the two-tiered slate of 2016 winners.

### **Companies with 25 to 200 employees:**

1. Prime Time Healthcare LLC
2. Onestaff Medical, LLC
3. Fusion Medical Staffing
4. Vetter Health Services
5. Object Partners

### **Companies with more than 200 employees:**

1. LinkedIn
2. QLI
3. C&A Industries
4. Farm Credit Services of America
5. Thrasher, Inc.

Created in 2003 by Baird Holm LLP, the Best Places to Work in Omaha initiative “recognizes those employers in Greater Omaha that have created truly great, engaged places to work. Along the way, the survey also provides a platform for employers to measure and set engagement goals tied to their business plans,” said Scott S. Moore, survey founder and partner at Baird Holm.

The competition measures levels of employee satisfaction through an online survey. The survey is administered by Quantum Workplace and feedback is provided by SilverStone Group.

“The Best Places to Work in Omaha initiative has become an invaluable tool for Omaha-area employers,” Moore said. “The survey provides the detailed information they need to produce teams of people that are engaged, productive and satisfied in their work. Earning this recognition is a great source of pride for the winners, and can also be used in both marketing and recruiting efforts.”

The winners will be publicly recognized at an 11:45 a.m. luncheon event at CenturyLink Center Omaha on Thursday, May 19, 2016. Tickets are \$40 per person, or \$400 for a table of 10, and are available for purchase online at [www.bairdholm.com/bptw2016](http://www.bairdholm.com/bptw2016).

“The bottom line – is the top line. More engaged employees help drive more profitable companies,” said David G. Brown, president and CEO of the Chamber. “We’d like to thank all of the companies that participated in the Best Places to Work in Omaha process. We look forward to celebrating – and learning from – this year’s winners.”
