Baird Holm LLP Receives Award of Honor With Distinction at National Safety Council Nebraska's Annual Safety and Health Summit

OMAHA, Neb. April 25, 2016 – For the fifth consecutive year, Baird Holm LLP has successfully met the criteria to achieve the National Safety Council Nebraska's Award of Honor With Distinction. This award will be presented at Nebraska's Safest Companies Award Luncheon, held in conjunction with the Annual Safety and Health Summit, on Wednesday, May 25, 2016.

Baird Holm's recognition comes as a result of the firm's commitment to maintaining a safe work environment for all attorneys, staff and guests. The firm plans regular building evacuation and medical emergency drills and offers on-site AED/CPR Certification and first-aid training programs at no cost to all employees.

Throughout the year, attorneys and staff are given opportunities to participate in various health screenings and safety programs. Baird Holm also boasts a robust safety committee, made up of attorneys and staff from each of the floors of the Woodmen Tower, where the firm resides.

"Our safety committee is currently developing a Workplace Violence and Intervention Policy, which should be in place by the end of the year," says Baird Holm partner, R.J. (Randy) Stevenson. "We are continually looking at new ways to enhance safety at the firm."
