1. Object Partners
2. Vetter Health Services, Inc.

4. Flywheel
5. RTG Medical

Companies with more than 200 employees:

1. Buildertrend
2. Signature Performance
3. Thrasher, Inc.
4. Olsson
5. Verizon Media

This year there are also two **Sustained Excellence Award** winners – C&A Industries, Inc. and Prime Time Healthcare LLC. This award is given to organizations that have repeatedly been identified as one of the Best Places to Work in Omaha, specifically, those who participate in the survey for four consecutive years and rank first, second or third in three consecutive years, or the organization ranks in the survey in eight of the last ten years.

Created in 2003 by Baird Holm LLP, the Best Places to Work in Omaha initiative provides a way to publicly recognize and celebrate local employers who foster an engaged work environment and culture dedicated to organizational success. "This initiative has become an invaluable tool for employers by providing a platform to set and measure engagement goals tied to their business plans," said Kelli P. Lieurance, Partner at Baird Holm.

The competition measures levels of employee engagement through an online survey. The survey is administered and feedback is provided by Quantum Workplace.

"The survey provides the detailed information employers need to produce teams that are engaged and productive in their work. Earning this recognition is a great source of pride for the winners, and can also be used in both marketing and recruiting efforts," said Lieurance.

The winners will be publicly recognized at a luncheon event at the CHI Health Center Omaha on Thursday, May 23, 2019. Tickets are \$40 per person, or \$400 for a table of 10, and are available for purchase online at www.bairdholm.com.

"It was another great year for organizations in Omaha, and we're proud of all who participated in the 'Best Places to Work' survey process. We know the advantages of a dynamic work environment, and the 2019 winners have truly demonstrated what it takes to build and nurture successful teams. Congratulations!" said David G. Brown, President and CEO of the Chamber.
