

## Survey determines 2017 Best Places to Work in Omaha®

**Omaha, Nebraska, February 20, 2017**— **Best Places to Work in Omaha** survey founder, Baird Holm LLP, along with program sponsor, the Greater Omaha Chamber, are announcing – and applauding – the two-tiered slate of 2017 winners.

### Companies with 25 to 200 employees:

1. Prime Time Healthcare LLC
2. RTG Medical
3. Onestaff Medical, LLC
4. Object Partners
5. Lutz

### Companies with more than 200 employees:

1. Yahoo
2. QLI
3. Medical Solutions LLC
4. C&A Industries, Inc.
5. Thrasher, Inc.

This year there are also two **Sustained Excellence Award** winners -- LinkedIn and Fusion Medical Staffing. This award is given to organizations that have repeatedly been identified as one of the Best Places to Work in Omaha, specifically, those who participate in the survey for four consecutive years and rank first, second or third in three consecutive years.

Created in 2003 by Baird Holm LLP, the Best Places to Work in Omaha initiative "provides a way to publicly recognize and celebrate local employers who foster a stellar work environment and a culture that is committed to personal growth, based on the responses of their employees. While it's one thing to claim to be a great place to work, it's another to actually have the people who come to the office day-in and day-out testify to it," said Scott S. Moore, partner at Baird Holm.

The competition measures levels of employee engagement through an online survey. The survey is administered and feedback is provided by Quantum Workplace.

"The Best Places to Work in Omaha initiative provides employers an opportunity to set and achieve measurable goals that focus on the best interests of their employees while still aligning to profitable business strategies. This initiative recognizes the organizations in Omaha that create an environment for more engaged and productive teams."

The winners will be publicly recognized at an 11:45 a.m. luncheon event at the La Vista Conference Center on Thursday, May 25, 2017. Tickets are \$40 per person, or \$400 for a table of 10, and are available for purchase online at [www.bairdholm.com](http://www.bairdholm.com).

"Engaged employees tend to stay with their employers longer, serve customers more effectively and otherwise make great companies. The Best Places to Work in Omaha initiative celebrates those organizations that have mastered the art of employee engagement, demonstrating what it takes to build and nurture successful teams. We appreciate everyone who participated in the process this year and look forward to applauding and learning from the list of winners," said David G. Brown, president and CEO of the Chamber.
