FOR IMMEDIATE RELEASE

**Steven D. Davidson Admitted to American College of Trial Lawyers**

March 11, 2020 (OMAHA, Neb.) Congratulations to Baird Holm Partner Steven D. Davidson who has been named a Fellow of the American College of Trial Lawyers, one of the premier legal associations in North America. The special induction ceremony at which Steve became a Fellow took place during the recent Induction Ceremony at the 2020 Spring Meeting of the College in Tucson, Arizona.

Founded in 1950, the College is composed of the best of the trial bar from the United States, Canada and Puerto Rico. Fellowship in the College is extended by invitation only and only after careful investigation, to those experienced trial lawyers of diverse backgrounds, who have mastered the art of advocacy and whose professional careers have been marked by the highest standards of ethical conduct, professionalism, civility and collegiality. Lawyers must have a minimum of fifteen years trial experience before they can be considered for Fellowship.

"We congratulate Steve on becoming a Fellow of the American College of Trial Lawyers," said Baird Holm LLP Managing Partner, Richard E. Putnam. "This is a great honor for Steve and our firm."

Membership in the College cannot exceed one percent of the total lawyer population of any state or province. There are currently approximately 5,800 members in the United States, Canada and Puerto Rico, including active Fellows, Emeritus Fellows, Judicial Fellows (those who ascended to the bench after their induction) and Honorary Fellows. The College maintains and seeks to improve the standards of trial practice, professionalism, ethics, and the administration of justice through education and public statements on independence of the judiciary, trial by jury, respect for the rule of law, access to justice, and fair and just representation of all parties to legal proceedings. The College is thus able to speak with a balanced voice on important issues affecting the legal profession and the administration of justice.
